

Flowform® Soft Seating

Bean Bench - Large

MODEL #: SMSFS55003

OVERVIEW

Flowform® Soft Seating from Smith System® helps create unique collaborative interaction spaces for kids of all ages. Flowform® soft seating available in 4 shapes, with 2 divider wall sizes to create barriers - when space is needed.

MATERIALS

The frame is constructed of durable 18mm plywood veneers, each piece interlocking with adjacent pieces to create sturdy load bearing connections. Thermoplastic polyester fiber upholstery batting minimizes telegraphing of the framework through the vinyl exterior. The seating pad is made from flexible polyurethane foam, meeting FR CA117 standards and contains no added flame retardant chemicals.

The fabric is Designtex 100% vinyl, phthalate free, with a Polyester backing. Highly durable with a 100,000 Wyzenbeek double rub (CD) rating. The fabric is easily cleanable with a 10:1 Water:Bleach mixture.

WEIGHT CAPACITY: 3 users up to 113 kg each.

DESIGNTEX
