MONO MOBILE (UPDATED)

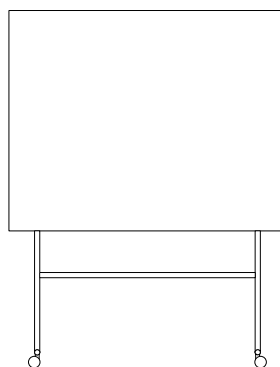

A mobile glassboard defined by sharp lines and a restrained monochrome expression. The stand and backside are available in white or light grey, paired with a whiteboard surface in our classic MOOD-GLASS or matte SILK-GLASS®, now available in all our 24 colours. A refined glass whiteboard designed to bring clarity, colour, and architectural presence to contemporary office environments. Designed by Halleroed.

Tempered, low iron glass
MOOD or SILK-GLASS® in 24 colours
Stand and back in 2 colours
Magnetic writing surface
Flipchart hooks included
