

daily cleaning, use a specific microfiber cloth moistened with hot water or detergents formulated for glass surfaces. For stubborn stains, use non-abrasive cleaning products or detergents. To remove any dried residues deposited on the surface, proceed with the use of a wooden or plastic scraper. Do not use rough or abrasive sponges. For all tops we recommend avoiding direct contact with sharp or pointed tools, as well as avoid placing very cold or very hot containers directly on the glass tops. These tips are cleaning recommendations and do not guarantee complete stain removal. We recommend that you always test the cleaning method on a hidden part of the item to check the resistance of the material.

Colour samples are to be considered approximate for each product. Slight color differences between a lot and the other are to be considered normal.
